

There are several membership categories to select from, each offering the flexibility to join at service participation and pricing levels comfortable to you. Simply choose the one that fits your business needs. While covered under either of our membership plans, we will provide a qualified technician to inspect your heating and air conditioning equipment for proper operation prior to issuing you Membership. Any repairs deemed necessary by the technician must be completed prior to establishing your Membership. Repairs are billable at normal rates and must be paid prior to issuing your Membership. If your Membership is issued and paid for at this time, the diagnostic charge will be deducted from the price on the invoice. Memberships are issued per system.
