

A GAF Silver Pledge Warranty is an enhanced GAF roofing warranty offering a 50-year non-prorated material warranty and 10 years of workmanship coverage, providing robust protection for GAF roofing materials and installation errors. This warranty can only be offered by GAF Master Elite® certified contractors, who must register the warranty within 45 days of installation. The Silver Pledge covers the entire GAF roofing system, including shingles and accessories, and is transferable to a new homeowner. [🔗](#)

## What the Silver Pledge Warranty Covers

- **Materials:** GAF shingles and accessories are covered for a 50-year non-prorated period, ensuring full coverage for the materials' cost during that time. [🔗](#)
- **Workmanship:** This warranty provides a 10-year period where the cost of materials and labor to correct installation errors is covered. [🔗](#)
- **Disposal:** Coverage for the disposal of materials is included for approved claims. [🔗](#)
- **Roofing System Components:** It covers other GAF components of your roof system, such as ridge vent, starter shingles, and hip n ridge shingles. [🔗](#)

## Key Requirements for the Silver Pledge

- **GAF Master Elite® Contractor:** You must use a GAF-certified Master Elite contractor to qualify for this warranty. [🔗](#)
- **Qualified GAF Materials:** The contractor must install GAF shingles plus at least four other GAF accessories. [🔗](#)
- **Timely Registration:** The contractor must register the warranty with GAF within 45 days of installation. [🔗](#)

## Benefits of the Silver Pledge

- **Enhanced Protection:** It offers stronger protection than the basic GAF System Plus warranty by adding 10 years of workmanship coverage. [🔗](#)
