Describe the unsafe act or condition:

CORRECTIVE ACTION

Corrective action required / taken:

Unless otherwise noted, all violations must be corrected within 24 hours. State the corrective action taken and return this form to the Superintendent. If the subcontractor's field supervisor does not produce satisfactory results, MCH will contact the subcontractor's main office and request immediate repair. Should both notifications fail, MCH reserves the right to remove any employee(s) involved until all parties reach agreement, in accordance with the standard subcontractor agreement.
